### # Subjects, Activities and Times of the lessons

Subject	Conception of the lesson	Times
Art	Drawing and painting	10
Social studies	Research and discussion	10

### # Theme and Message of the mural

Theme	Nature and culture of our country
Message	We need to treasure and preserve the beauty of our nature and culture of our country

### # Effects and the Problems

Effects your students have gained	Points for further improvement
Students have learnt to research on computer Students have learnt about culture of Japan Students have learnt about Japan	The need to improve on Time management. The time difference and time table could not match well The need to involve video conferencing this will motivate the learners

### # Have you made your activity open in your school or in your local area? How was their reaction or reputation?

PR you did inside/out of your school	Reaction/reputation from around
The painting was done from inside but the exhibition was made from outside at the museum	It was very exciting both the students and community loved the cooperation and wished them to go on with the partnership. They appreciated Japanese culture and geography.

### # Flow of the Activity

Content	Month	What you did	Your students attitude/reflection	Subject
Introduction	Sept	Contacted our partners	The introduction was very exciting to know about each other	Social studies
Research	October	We researched about the Japanese culture and shared our culture and nature as well	Discovered a lot in common and some differences	Social studies
Composition	Dec	Sketching	Team work ,fun	Art
Painting	Jan	Students jointly painted the mural	Learning new skills of painting and appreciating their colleagues painting technique	Art
Appreciation	Feb	A joint exhibition at the Uganda museum,	Excitements and appreciation of the all the completed murals. It was a big achievement	Art
