Effects and the Problems

Effects your students have gained	Points for further improvement
Students learned about their own culture and partner's. Students gained interests in Japan and got motivated to learn Japanese.	It was difficult to use the forum. Since we couldn't use classes other than Japanese, we had to use lessees, after-school, weekends, and pulled out some students.

Have you made your activity open in your school or in your local area? How was their reaction or reputation?

PR you did inside/out of your school	Reaction/reputation from around
Showed it to the principal and appreciate in school	Very good.

Flow of the Activity
